

ELECTRICAL ENCLOSURES 19" RACKS & DATA CENTER SOLUTIONS

INTRODUCTION

TIMIK is a Canadian company design & manufacture TIMIK Modular Panel System, Electrical Enclosures, Custom Design Enclosures and 19" Racks & Data Center Solutions and export to many countries around the world.

TIMIK products are manufactured in an ultra-modern production plant located in Sri Lanka installed with high tech machines, CNC machines & robots.

Our Research & Development team with many years of R&D experiences continuously develop products to be the best in the market using best technologies available in the world.

Our highly skilled, well trained & motivated work force, backed by committed & quality conscious management, manufacture high quality products at minimum lead time at lowest possible cost.

The commitment, investment and continuous R&D, make us in the forefront in the enclosure industry with best technical solutions.

MODULAR PANELS

TIMIK Modular Panel System is based on the modular concept of 220mm "Standard Module" for the construction of electrical panels.

TIMIK "Standard Module" can be extended into X, Y & Z or width, height & depth directions in multiplication of "Standard Module".

With this versatile modular concept, It is possible to construct electrical panels of any design, any configuration, or any size, using the range of standard modular parts.

WALL MOUNTING BOX ENCLOSURES

TIMIK Wall Mounting Box Enclosure consists of cabin, front door with locks, cable gland plates and mounting plate.

TIMIK Wall Mounting Box Enclosure has recessed back plate with ribs for better strength.

Recessed gland plates without exposed screws give better protection.

Door with Polyurethane Form-in-place (PU-FIP) seamless gasket gives required IP rating & door can fix left or right hand side with 120 degree opening.

TIMIK Wall Mounting Box Enclosures are tested at UKAS accredited laboratory in the UK.

DISTRIBUTION BOARDS

Heavy Duty Distribution Boards

TIMIK Heavy Duty Distribution Boards consist of box cabin, front door with locks, cable gland plates on top & bottom, front plates, DIN rails, earth & neutral links.

Heavy Duty Distribution Board range comes in 1 to 4 rows & 8,12,15 & 18 ways per row. Available in surface mounting type and can flush mount using flush frame.

Light Duty Distribution Boards

TIMIK Light Duty Distribution Boards consist of box cabin, door with press lock, front plate, removable cable gland plates on top & bottom, DIN rails, earth & neutral links.

Light Duty DB range comes in 1 to 4 rows & 8,12, 15 & 18 ways per row. Available in surface mounting type and flush mounting type.

STAINLESS STEEL ENCLOSURES

TIMIK Stainless Steel Enclosure consists of cabin, front door with locks and mounting plate.

TIMIK high quality stainless steel enclosures with hair line finish and tested for IP 66 at UL Laboratory.

Door is fitted with Polyurethane Form-in-place (PU-FIP) seamless gasket to maintain IP rating.

All accessories including hinges, locks and fasteners are stainless steel.

TIMIK Stainless Steel Enclosures are available in stainless steel grades AISI 304 & AISI 316.

TERMINAL BOXES / STAINLESS STEEL TERMINAL BOXES

TIMIK Terminal Boxes & Stainless Steel Terminal Boxes consists of cabin, lid fix by screws & profile for equipment mounting. Lid with Polyurethane Form-in-place (PU-FIP) seamless gasket gives required IP rating.

TIMIK Terminal Boxes & Stainless Steel Terminal Boxes are available in different sizes & depths to select as per requirements.

TIMIK Stainless Steel Terminal Boxes are available in stainless steel grades AISI 304 & AISI 316.

TIMIK Stainless Steel Terminal Boxes come with hair line finish.

19" RACKS & DATA CENTER SOLUTIONS

TIMIK 19" Racks are designed & manufactured according to the international standards and use for many applications in IT (LAN, Data Center) and Telecommunication industries.

TIMIK 19" Racks are available as;

- Free Standing 19" Racks
- Wall Mounting 19" Racks & 19" Frames
- Two Posts & Four Posts open 19" Racks
- Compartment 19" Racks
- Outdoor 19" Racks
- Data Center 19" Racks (DATCET Racks)
- Data Center Solutions
- Accessories for 19" Racks

Different type of 19" Rack Accessories available to match the exact requirement of the installations.

CUSTOM MADE ENCLOSURES

Every industry needs custom designed bespoke enclosures.

Our well-experienced team of Research & Development (R&D) engineers can design special enclosures as per customer requirements.

Our state of the art manufacturing facility backed by well-trained skilled workforce delivers high quality enclosures made to customer designs.

TIMIK RANGE OF PRODUCTS

Electrical Panels & Enclosures

- Modular Panels
- Wall Mounting Box Enclosures
- Distribution Boards
- Terminal Boxes
- Stainless Steel Enclosures
- Stainless Steel Terminal Boxes

19" Racks & Data Center Solutions

- Free Standing 19" Racks
- Wall Mounting 19" Racks & 19" Frames
- Compartment 19" Racks
- Two Posts & Four Posts open 19" Racks
- Outdoor 19" Racks
- Data Center 19" Racks (DATCET Racks)
- Data Center Solutions
- Accessories for 19" Racks
